

DECUES

DESIGNED WITH PERSONALITY.

A new look among the best cues in the business. Striking, colorful and reflecting a personality. The "Wizard" features a durable stainless joint. The "Ballbuster" and the "Hot Stick" have black implex joints. All three cues have black butts and black nylon wraps that heighten the colorful designs. All feature quality hard woods; Viking's famous craftsmanship and attention to detail; yet each are priced at only \$195.

CRAFTSMANSHIP

Custom-made cues that fit you so well, they feel like part of you. Expect accuracy... and get it. Because your cue is straight and balanced exactly the way you want it to be.

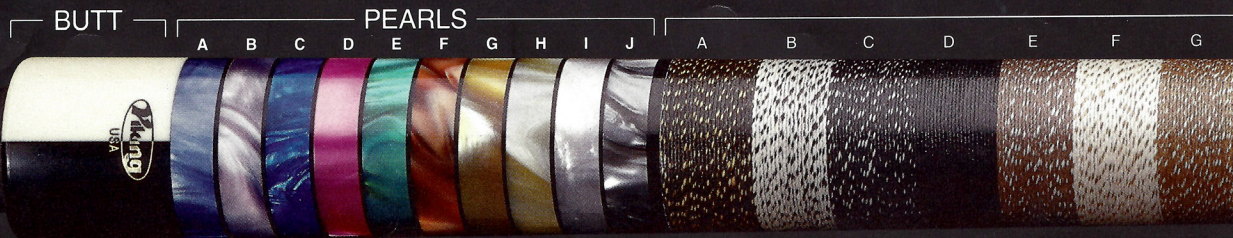

Cues made from top quality materials and fine craftsmanship... shafts of hard rock maple. Butts from rosewood, birdseye maple, ebony.

The Viking C140 is an example of how a cue can be custom-tailored to suit your taste. Look at the color options in stains, wraps and vinyls.

With Viking, you can have your name engraved on your cue. Choose from script or block.

AMERICAN-MADE

Since 1965, we've been making Viking Cues—right here in America. As a matter of fact, we've been manufacturing cues longer than anyone else in the USA.

Intricate engraving enhances the value of your Viking Cue. This is a detail from C1200.

Models CS-200:

- M. Genuine Python Snakeskin

Viking introduces a dazzling new collection of cue cases that feature coverings of genuine python snakeskin, fancy leathers, and various man-made leathers such as corfam.®

Viking cue cases are 100% American made. All models have a felt lining for added protection and to reduce cue rattle.

Other first time features include all new thermo plastic ends, designed with a pebble finish to reduce scuffs and scratches. There is a 3/8" foam rubber cushion in both ends for even more cue protection. An additional storage compartment is available at the bottom of certain models for carrying your accessories.

- Model CS-200 has genuine python snakeskin.
- Model CS-100 offers three choices of rich leathers; whiskey hornback, black ostrich and brown teju lizard. These cases come with a standard heavy duty 7 1/2 oz. felt lining which will accommodate one butt and two shafts. Options available:

- Nickel plated lock & key
- Snooker length
- Storage compartments in 2", 3 1/2", and 5" lengths

We also carry two lines of man-made leather covered cases. Model CS-55 features a slide on top which does not require a lock. No options are available on this model.

Model CS-75 has a flush fitting cap and comes with a nickel plated lock & key. Both CS-55 and CS-75 cases come with a 5 oz. felt lining that will accommodate one butt and one shaft. These are available in nine colors. (Also see back page.) Options available for CS-75:

- Snooker length
- Storage compartment of 2", 3 1/2", and 5" lengths

Models CS-55 and CS-75 cases are available in nine colors.
